## ROGER BAKER FACES 705 YEARS' SENTENCE; GUILTY OF LARCENY

Former Owner of Arlington Rosebud To Be Sentenced Today — Found Guilty In Verdict Returned by Suffolk County Jury On Eighty-Two Counts — Local Rosebud Is Cleaned Out

Roger Baker, one-time owner of the Rosebud restaurant, Arlington's swankiest dine and dance place, and president of the Arlington Rosebud baseball team faces a maximum sentence of 705 years—and a day in jail, Baker was found guilty on 82 counts of larceny, forgery and allied offenses by a jury in Suffolk county court this week and sentence is to be imposed by Judge Thomas J. Hammon today.

The verdict of guilty was received by Judge John M. Gibbs in the absence of Judge Hammon, who had been called to Worcester. The sentence imposed on Baker will likely be a great deal less than life however. While the jury was deliberating the fate of the sports and night-club promoter, truckmen were busy in Arlington this week having cut furniture and fixtures from the Arlington Rosebud which was closed by creditors several weeks ago.

The two girls, Mary "Mumsie" Mernicke and her sister, Josephine, whom the State contended had been set up in a palatial Newton residence by Baker while his own wife and two children lived in a modest Wollaston home,

## Community Symphony In Concert

The Arlington Community Symphony orchestra will revive a composition unplayed by the Boston Symphony orchestra since 1910, when it presents its second concert of the season next Sunday afternoon in Robbins Memorial Town hall.

The work in question is the D minor concerto for pianoforte and orchestra by Anton Rubinstein. It is a brilliant piece, designed to display the talents of the soloist who in this performance will be William D. Strong, organist of the First Church of Christ, Scientist, in Cambridge.

In addition to the concerto, the first half of the program will include Beethoven's dramatic and stirring Overture to "Egmont" and a tarantella by Saint-Saens. This latter work is in lighter style and affords the audience a delightful dialogue between flute and clarinet. Verne Powell and Julius Mazzocco, regular members of the organization, will play these solo instruments.

The last half of the program will be devoted to the performance of Beethoven's Fifth Symphony, a masterpiece of musical art and a classic among all symphonies. Its four movements run the gamut of primary emotions being successively despairing, graceful yet sober, mysteriously playful, and grandly triumphant.

A large audience is desired and expected, more particularly since funds are necessary to the performance of the third act and other excerpts from Tannhauser, which will comprise the third and final concert of the organization's second season.

## EX-SENATOR WARREN BRINGS SENSATIONAL CHARGES TO SENATE

Files Bill To Unseat Senator Daly — Cites Six Cases of "Fraudulent Acts" In Handling of Ballots — "True Result Not Shown In Count or Pretended Recount", Warren Claims — Hearing On Bill Soon

It is expected that a hearing will be set soon on the bill filed by ex-Senator Charles C. Warren of Arlington to unseat his successor, Senator Charles T. Daly of Medford.

The bill is Senate bill 407 and makes sensational assertions relative to the handling of ballots in Medford, which assertions the local election officials stand ready to refute when a hearing is held. It is charged that because "of the irregularities" neither the original returns "nor those of the pretended recount showed the true results of the votes cast."

"Certain irregularities" are charged in other parts of the district, which includes Arlington, Winchester and Woburn.

**Complete Bill**  
The complete text of the bill filed by the former senator is as follows:

To the Honorable Senate of the Commonwealth of Massachusetts in General Court assembled.

Respectfully renounces your petitioner as follows:

1. That he is a resident of Arlington in the County of Middlesex and said Commonwealth and a registered voter therein.
2. That he has for several years last past represented the Sixth Middlesex Senatorial District in your Honorable Body.

3. That said Senatorial District is composed of the towns of Arlington and Winchester and the cities of Medford and Woburn.
4. That your petitioner is a Republican and was a candidate for re-election on Nov. 6, 1934; and, upon information and belief, he

## Arlington's Share Of T. B. Hospital Cost For 1935 Is \$20,913

Arlington's share for 1935 due on account of the principal, interest, care and maintenance of the Middlesex County Tuberculosis hospital at Waltham will be \$20,913.77, according to information received by the board of selectmen from the county commissioners.

This amount is almost \$2,000 less than last year's assessment when \$22,770.54 had to be paid by the town. The money is to be raised by tax levy in 1935 and will be appropriated at the annual town meeting. The cost of the hospital is apportioned among the towns and cities in the county.

## CURLEY THE ARISTOCRAT?

During election time we printed an editorial in which we stated our admiration for the energy and enterprise exhibited by Governor Curley in his public career.

We don't believe in straddling on important issues; neither do we hesitate to give credit where credit is due regardless of race, creed or color. In fact we are anxiously looking for men, Americans who on occasions can rise above the smoke of everyday life and give us a glimpse of the aristocrat.

Gaspard Bacon was ridiculed for being an aristocrat but isn't this exactly what Governor Curley would like us to think of him? Governor Curley has won the admiration and respect of thousands regardless of the fact that many of his acts have not met with their approval.

Governor Curley in requesting the removal of Morgan T. Ryan has just committed another one of those acts that in the opinion of many falls short of the sort of thing we might expect of a true statesman.

We have no sympathy with the spoils system whether carried on by Republicans or Democrats and it is regrettable that Mr. Ryan should fall a victim to this practice. We have no objection to Frank Goodwin but we feel that a man of Mr. Ryan's ability should not have been sacrificed to find a place for Mr. Goodwin.

A little more of the statesman and a little less of the politician would increase the respect of all people for the man whom they have chosen to govern and serve them.

Miss Ellen Farmer ably entertained with readings while Miss Dorothy Robinson, a most unusual humorist brought joy to the hearts of everyone present.

## William Powell In Capitol Film

"Evelyn Prentice," thrilling new mystery drama revolving about a girl murder defendant, circumstantial evidence, and an amazing domestic crisis in a defense attorney's home life, brings Wm. Powell and Myrna Loy together again in what is probably the most successful of their recent hits together.

The new Cosmopolitan production, now playing at the Capitol Theatre, contains two mysteries in one—the mystery dramatically unfolded in a great courtroom, and the other, a mystery in the household of a married couple, which threatens their happiness, and which is so tied up with the mystery in court that one cannot be solved without the other.

Also, W. C. Fields, with Baby LeRoy, in the laugh riot, "It's A Gift," is on the same bill.

## Says Engineering Training Of Henry Keenan, Noteworthy

Editor, Arlington News:

It seems to me being a resident for 15 years and voter, that the people who occupy houses of Arlington's main thoroughfare should be compelled to clear a foot path at least in order to let school children walk to school instead of walking in the street. I have noticed them try to keep out of the way of automobiles and it will be just too bad if they should slip or a car should skid.

Where is the protection for the children? I hope that parents will see and read this. I think it is up to the Board of Selectmen to have this compulsory to avoid accidents in Arlington.

If the people won't take care of their sidewalks let them give a man a job. It will be money well spent and give the children a break.

## Arlington Firemen Battle Four Fires During Cold Snap

While surrounding cities suffered serious fires during the cold snap which followed the recent heavy snowstorm, Arlington firemen battled four fires; none of which was of serious proportion.

The heaviest loss was at the home of Harry J. Cassation, 23 Bow at where considerable damage was done to the second floor apartment occupied by the owner of the house. An alarm sounded from box 75 Monday forenoon brought several pieces of apparatus to the scene and firemen had a stiff battle on hand before the blaze was finally extinguished.

Fire caused some damage to the cellar of the house at 88 Rawson rd last Sunday forenoon. The house is occupied by James Rowley and family. The living room in the house occupied by Daniel McDonald and family, at 27 Sherborn st was slightly damaged by fire last Saturday morning. In the afternoon, a alarm was sounded from box 812 for a fire in the cellar at 788 Massachusetts ave. The house is occupied by P. M. Dolloff. The damage was slight.

In the preliminary game the Cardinals scored a 46-21 victory over the All Stars. The Aces defeated the Townsies 21-14.

## Arlington A. A. To Play Here On Wednesday

The Arlington Athletic Association will bring to Arlington one of the outstanding basketball teams of Greater Boston next Wednesday night at the Junior High East. The Bunker Hill K. of C. will be the attraction and at present is holding down the top berth in the Greater Boston League.

The A. A. has a record of 10 wins out of 12 games so far this season and will be out to pin a defeat on the visitors. The K. of C. will have in its lineup Johnny Crowley of the West End House and Boys' Club fame, Neal Leonard of the Pere Marquette, Gleason and McLaughlin of the old Fittons and Bunny Burns the sensational one hand guard.

Charlie Crocco will depend on his same squad to bring about a victory with Bob Friery and Eddie Galucci holding down the forward points, Johnny Driscoll at center, Joe Donahue and George Lowder at the guard posts. Brud Clarke and Bartlett will relieve the guards and forwards respectively.

Lefty Lowder, Arlington High coach, will do all of the officiating for the balance of the year. His work last year was exceptionally good during the local league games.

The Arlington Cardinals will play at 7:30 p. m. while two Arlington rivals will hold forth at the Gong of 7 p. m.

There will be games Wednesday night at the East. A very small admission fee will be charged.

The next meeting of the Arlington American Legion auxiliary will be held next Monday evening in the Legion rooms.

## EX-SENATOR

Continued from page one

at, during and after the election fraudulent acts and practices by a person or persons unknown to your petitioner some of which are as follows, to wit:

(a) Ballot boxes opened after they had been sealed by precinct officers.

(b) At the so-called recount in said Medford a large number of identified ballots and other ballots all appearing to be in the same handwriting were counted for the opposing candidate.

(c) Ballots cast in said Medford for a long period of time out of custody of the City Clerk.

(d) Custody of a ballot box or boxes and keys thereto left in the hands of unauthorized persons.

(e) After such illegal custody had existed, the count of ballots in said boxes varied from 75 to 100 from the original count of supposedly the same ballots.

(f) In Ward 2, Precinct 2, the election officers found and reported 28 blanks. At the so-called recount the Registrars found 84 blanks which had never been voted for any person. Your petitioner lost 56 votes which had been found by the election officers and credited to your petitioner.

8. That on account of the irregularities which occurred during said election in said Medford neither the original returns of the election nor those of the pretended recount showed the true result of the votes cast for the candidates for Senator as aforesaid; on the contrary, a true result would have shown that your petitioner was elected as aforesaid.

9. Upon information and belief your petitioner further alleges that there were certain irregularities in other parts of the District in regard to the manner of counting said ballots, etc., which will be referred to in the evidence produced hereunder.

10. The election officials in said Medford failed to keep, make or use black tally sheets, or, when kept in many cases, destroyed them before the so-called recount.

11. That in one precinct in said Medford the total tally sheet was entirely lost, and if any such tally sheet existed in the hands of the Board of Registrars said Board refused upon request to allow them to be seen by your petitioner.

12. That in spite of the allegations in paragraphs 10 and 11, the Registrars of Voters in said Medford refused to grant a motion made in writing by your petitioner requesting data within the said Registrars' control with which to verify the ballots in this important particular.

13. That as a result of the so-called recount in said Medford, when some 20,000 ballots were examined, the opposing candidate gained 63 votes, whereas your petitioner still retained precisely the same number of votes as were credited to him in the original count. This is true notwithstanding the fact that your petitioner in the course of the pretended recount discovered a block of ballots containing 32 votes for him which were not originally credited to him.

14. And your petitioner further alleges that, by reason of these fraudulent practices, your petitioner lost upwards of 360 votes over and above the number now shown on the certificate of election as having been received by said Daly, so that your petitioner was elected by that number in excess of the sitting candidate.

Therefore, Your petitioner alleges that by reason of the foregoing circumstances and allegations and by reason of the refusal to give other information to which your petitioner is lawfully entitled, it is uncertain how many valid votes the alleged sitting member has received in the District; that your petitioner has more unimpeached votes in the District than the alleged member.

Wherefore, Your petitioner prays—

1. That after a due hearing of the parties hereto and their witnesses the Honorable Senate will determine that your petitioner has been elected Senator from said District and will order him to be seated therein.

2. That the Honorable Senate will order that the said Charles T. Daly vacate his seat therein.

CHARLES C. WARREN

Nathan Lombard, 70 Kensington park will open his home next Wednesday evening for a meeting at which all candidates endorsed by the Citizens' Committee will speak.

## Fortnightly Club Dance To Benefit Tubercular Child

A subscription dance under the auspices of the Arlington Fortnightly Club is to be held at Robbins Memorial Town hall on Friday, February 2. The entire profits are to be used to defray the cost of sending a tubercular child or children to the Sharon Preventorium. This very deserving cause insures the success of the party. A most delightful social event is anticipated by the chairman, Mrs. John J. Casey, and her able committee which is comprised of more than forty club members who are mothers of sons or daughters of dancing age. The admission fee includes checking and refreshments. Tickets may be procured from club members or the chairman.

A meeting of the workers of the Arlington Citizens' committee was held last Monday night at 1195 Massachusetts ave. In spite of the cold weather a good crowd attended. The workers will meet again tonight.

## Auto And \$60 Worth Of Groceries Stolen In Clerk's Absence

Taking advantage of the few minutes which elapsed while John Keaney, of Virginia rd., Concord, a chain store clerk, was delivering an order in the Irvington Apartment on Pleasant street, a thief walked up to a car which Keaney had parked in the apartment driveway and drove off with the auto last Saturday evening. Sixty dollars' worth of groceries was in the car which was driven towards Belmont. A tenant in the apartment gave a good description of the thief.

The car, abandoned in Belmont, was recovered by the police the following day. The groceries had been stolen from the auto however.

The Women Organists' Club of Boston, Maria Payne Louissell, president, will present the second in their series of Musical Travelogues, "A Mediterranean Cruise," at the Copley M. E. church, corner Newbury and Exeter sts. Boston, Tuesday morning, Feb. 5, at 11 o'clock.

## Arlington Six Tops Andover

After playing a 3-3 tie game with Newton High at the Arena last Friday evening, Arlington High's hockey sextet showed real punch against Phillips Andover academy last Wednesday afternoon, defeating the latter, 4 to 2 in an overtime game.

The thermometer registered near zero for the outdoor contest which was plenty rough. The regular period ended with both teams tied, 1-1 but in the two three-minute overtime sessions, Coach Charlie Downes' men came into their own. Mee and Gardella, who, incidentally, provided thrills galore in last Friday's game, were again outstanding on the offense against Andover. Arlington plays Rindge at the Arena tomorrow afternoon at 1 o'clock.

Summary:

## Always Fresh! Never Frozen!

Even during zero weather and winter gales Seafood Store customers are sure of absolutely fresh fish. Of course we have to pay the fishermen who undergo these hardships a little more, but the pick of the catch is worth more. The Seafood Store never handles frozen, cold storage or stale fish.
